On Tuesday 15th May 2018 we would like to invite you to join in our weekly Hi balls low session (monster dept). Get your sports wear at the ready! 😊 10am.

On Friday 18th May, we are inviting all parents and grandparents to come and enjoy some home baking and fresh fruit with the children. 3.30pm - 4.30pm

We would be so grateful if you could come and support us and enjoy.

Refreshments will be available in our parents room also.

If your child does not attend nursery on a Friday they are more than welcome to still come along with their parent/grandparent to enjoy the afternoon.

Can I ask if you can attend to let me know so we have sufficient materials and refreshments

Thanks
